Defendant.)	

I am in receipt of a report from the Probation Office indicating that the defendant is not eligible for another sentence reduction under Amendment 782 because the parties previously entered into an agreement to provide for a two-level reduction due to the anticipated changes in the drug guidelines effective November 1, 2014. The defendant stipulated that he would not petition for a further reduction of his sentence.

IT IS THEREFORE ORDERED that no further sentence reduction under Amendment 782 will be granted.
